

# Product Code: FPS4HR 15-246

## Robust 4 door Prep Station

---

### Features & Benefits

---

- Fan assisted forced air refrigeration system delivers even temperature to the counter base and pan storage section meeting HACCP temperature requirements
- Choice of pan configurations for maximum flexibility in the kitchen
- Inner catch tray stops food from falling into the main storage area, quickening clean down times
- All pans and the worktop are within comfortable reach - an important health and safety benefit
- Rear mounted refrigeration maximises storage space and makes it easily accessible for servicing
