BC25CP

### Description

The BC25CP counter top chiller is ideal for the display of cooled drinks. Space is maximised in the cabinet by having a top mounted refrigeration unit meaning there is no internal step in the base of the cabinet. Internal LED lighting helps to showcase your produce, while the LED light canopy is ideal for branding. Great to encourage impulse purchase near till points and is popular for drinks companies to promote their brands.

### Product Features

- Fully automatic
- Fan assisted cooling
- Lock
- Adjustable shelves
- Adjustable feet
- Interior LED light with switch
- LED canopy light with switch
- Self closing door
