NATURAL GAS LAVALESS CHARGRILL

Designed for the demands of constant commercial use, the Parry natural gas lavaless chargrill is the perfect choice for takeaways, restaurants and canteens. Packed with useful features, the chargrill is incredibly heavy duty. The powerful 5kW burners have push-button ignition and are shielded to prevent blockages from food residue. The user-friendly thermostat provides precise temperature regulation while the grill plate height is adjustable, ensuring absolute control during the cooking process.

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.
